每处空画了几条线，就填几个词。填完把整句小声读一遍。

讲解 副词 Adverbs · 动笔前看两分钟

副词说动作怎么样	He runs **fast**. · She speaks **politely**. 形容词说人（a **fast** runner），副词说动作（runs **fast**）；why · how 也是副词
短副词加 -er / -est	fast → **faster** → **fastest** · early → **earlier** → **earliest** y 结尾的先把 y 换成 i。fast · hard · late · early 走这条
-ly 的加 more / most	slowly → **more slowly** → **most slowly**
三个不按规则的	well → **better** → **best** · badly → **worse** → **worst** · far → **farther** → **farthest**
一样 / 不如：as … as	Mary runs **as fast as** I do. · I don't skate **as well as** Jim. 两个 as 中间放原级，不变形
比用 than，最用 in / of	She gets up **earlier than** I. · Lucy sings **best in** our class. than 前面放比较级，in / of 前面放最高级
时间从小往大排	Let's meet **at seven thirty on Sunday morning**. 先说几点，再说哪天 —— 和中文正好反过来

三 从方框中选择最恰当的副词，并用其正确形式填空，每个词只能用一次。 10 题

~~often~~ why away politely again outside too how early always suddenly

例 I **often** go to school by bus. 我经常乘公共汽车上学。
